**Tickets need to be purchased by August 26!** After August 26, our group rate will still apply but you will not sit with the troop.

#### To purchase your tickets:

Go to <https://www.groupticketwindow.com/groupticket/college/army/group> and enter our Sign-In ID, which is **troop301**, and Password, which is **stjames**. Note that both the sign-in id and password are all lower case. Click the Login button and from there you can purchase your tickets as directed.

#### Important Notes:

There are only 3 entrances to West Point for the general public on a football game day: Stony Lonesome Gate, Washington Gate, and Thayer Gate. Typically we use the Thayer Gate entrance.

Parking is \$10 per car.

Your car may be briefly searched, you will likely be asked to open your trunk for inspection.

Ages 16 and up will be required to show a government issued photo ID.

Concessions are available at Michie Stadium. Food and beverages not purchased at concessions will not be allowed in the stadium.

Troop 301 scouts must be in Full Class A uniform.
